Network of Independent Pet Business Owners Gives Back to Local Rescue Groups

Northern Virginia Professional Pet Sitters Network (NVPPSN) is pleased to announce its annual donation to local animal rescue organizations. The 2011 recipients are Lucky Dog Rescue (LDAR) and Friends of Homeless Animals (FOHA). Each organization will receive \$750. NVPPSN prides itself on donating funds to support worthy animal rescue groups. "Supporting local rescue organizations is very important to our members, and we are excited to be able to make these donations," states Network President, Becky O'Neil. "It is especially important to support the rescue community in the current economy as many of these groups have experienced a decline in donations. We are happy and honored to be able to give back in a time of need." The donations will be presented to LDAR and FOHA at the March NVPPSN meeting on March 9, 2011.

Bear Needs a Little Luck!

Bear is a beautiful 3 yr old lab/schnauzer mix. People often mistake him for an older dog because he has cute white whiskers around his face, but don't let that fool you; he is only three and full of life! Bear has been with Lucky Dog for 5 months now; being a black dog, he is often overlooked. It is such a shame because he is truly amazing! Bear knows his name and comes when called. He is housebroken, walks exceptionally well on the leash, and loves playing in the snow.

Bear came to Lucky Dog when his owners in SC asked that he be euthanized since he was afraid of thunderstorms. He has been through a few thunderstorms here in DC and all he does is pant a bit – nothing destructive or damaging. Because he does have a bit of anxiety, Bear would do best as a second dog in the home – just so he has the comfort of canine companions.
