I understand that my child is signing up to volunteer with Lucky Dog Animal Rescue.

Parent/Guardian Signature: _____

Parent/Guardian Email: _____

Parent/Guardian Birthdate: _____

Mark All That Apply	Activity	Description
<i>For Volunteers ages 7+</i>		
	Handler at Adoption Events	Join us for an adoption event on Saturday or Sunday and help to handle our dogs while they meet prospective adopters. Please note that an adult <u>MUST accompany all minors under 18 and that we do require a 1:1 ratio on parent/guardian to minor.</u>
	Fundraising	Our Lucky Dogs are always in need of donations – both monetary and gently used items! You can work to host a donation drive, bake sale, lemonade stand, dog wash, or any other creative idea and deliver the donations at an event. You can also hold a bake sale or sell homemade pet toys at one of our events and all the proceeds can go toward Lucky Dog!
	Birthday Parties	You can have a dog themed birthday where you make treats or toys to donate to Lucky Dog, or collect donations to bring to Lucky Dog. You can also request to have a Lucky Dog come visit your party!
	Classroom Appearances	Lucky Dog is happy to go into the classroom to teach children about the importance of rescue and treating animals with respect. We can even bring a Lucky Dog to your school!
	Transports	Meet transports and give dogs a walk and water break while they wait to meet their fosters or adopters. A parent must attend to assist in handling a dog.
	Kids Club Meet Ups	We host Kids Club meet ups, where kids can get together to learn about animal welfare and rescue, make toys for homeless animals, and make new friends!
<i>For Volunteers ages 15+</i>		
	Office Help	Lucky Dog is always looking for high school volunteers who can help in the office with administrative tasks and data entry.
	Volunteer Liaison	Attend our adoption events as a Volunteer Liaison and ensure that all new volunteers are trained, safe, and enjoying our adoption events.
	Events Assistant	Attend our adoption events and help assisting in various areas including: foster check in and check out, the adoption table, and the puppy area!
